

Samantha has a lot to juggle being a mother of 4.

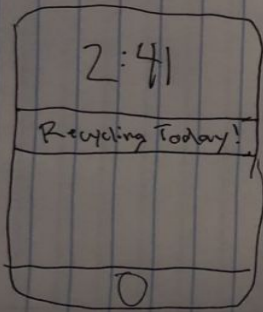

She always seems to forget when recycling day is.

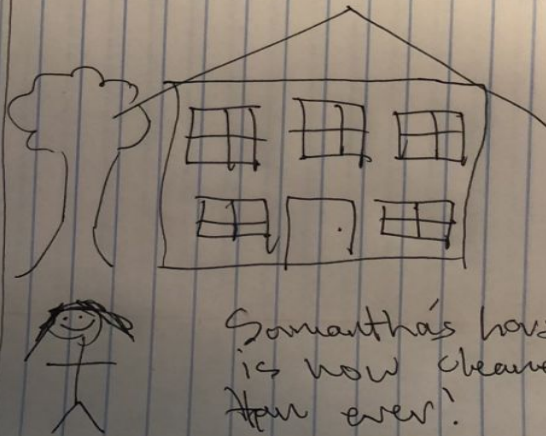

Ben Singleton

Her recycling app helps remind her!

She even receives notifications!

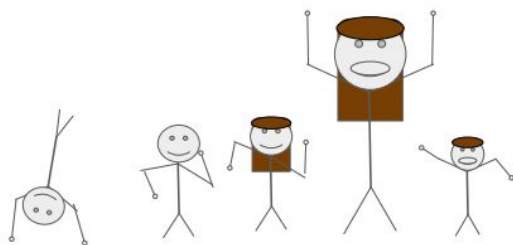

Samantha's house is now cleaner than ever!

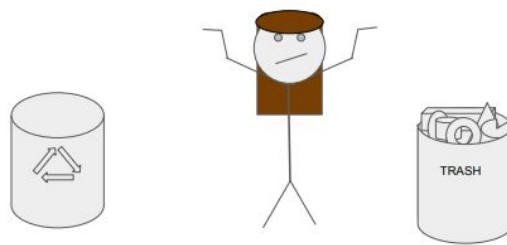

Samantha now has more time to play with her kids and not worry about her trash.

With all of her kids running around Renee barely has any time to think

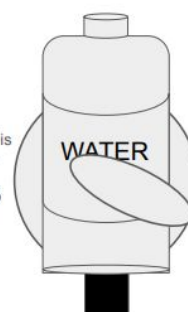

So when it comes to sorting her trash she just doesn't have time to do it

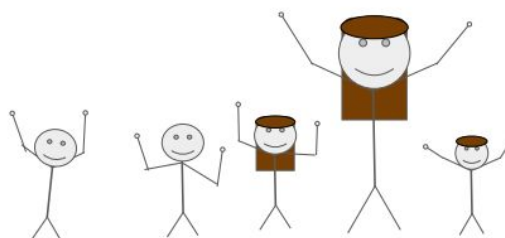

Luckily She found  
our app that can  
help her sort her  
recycling on the go!

All She has to do is  
Search what she  
wants to throw  
away and the app  
will tell her if she  
can recycle it!

Now she can sort her trash on the Go!

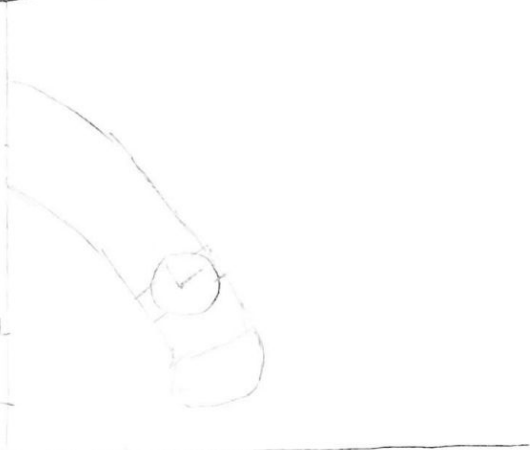

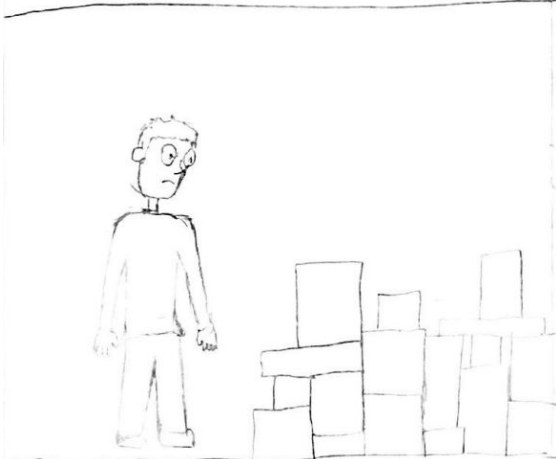

Now She can spend Quality time with her kids and enjoy a little bit of extra free time!

Anthony is a store owner. He just finished unboxing all of his products and has lots of trash remaining.

He doesn't have time to sort his recyclables from his non-recyclables.

He also doesn't have the time to figure out which things he can recycle and which ones he can't.

With our new app, he doesn't have to waste time figuring out what he can and can't recycle.

Now, Anthony doesn't waste time figuring out what to recycle.

Now he can spend time focusing on his customers.
